2012 LATE HARVEST ROUSSANNE, SONOMA VALLEY LANDA VINEYARDS

VINEYARD & WINEMAKING NOTES

Situated in the southeastern region of the Sonoma Valley AVA, Landa Vineyards is blessed with warm days and cool nights during the grape growing season. The Roussanne fruit from this special site develops an abundance of sugar, which is balanced by its natural acidity. We allow select clusters to hang late past the normal growing season in order for botrytis cinerea to progress – developing the “noble rot” that creates intensely concentrated aromas and high sugar levels. This late harvest treat is similar in style to the memorable wines of Sauternes.

TASTING NOTES

Concentrated aromatics and deep amber hues suggest the richness of this beautiful dessert wine. The nose is packed with intensely lush honey, dried apricot and delicate floral notes. Layers of ripe stone fruits, baked apple and candied pineapple marry with bright acidity resulting in a delightfully sweet, yet balanced sipper showcasing a long, lingering finish.

TECHNICAL NOTES

Varietal: 100% Roussanne

Appellation: Sonoma Valley

Brix: 29

Residual Sugar: 9g/L

Alcohol: 13.4%

Method: Gently pressed, native yeast fermentation, stainless steel to preserve honeyed fruit characteristics.

Cases Produced: 545 - 375 mL bottles

Retail: \$28/ bottle
