

2023 TURBINE WHITE RHÔNE BLEND

ABOUT

Our Turbine White is a flagship wine in the portfolio. Each year the blend is crafted from a selection of Rhône varietals to showcase the essence of the vintage. In 2023, we sourced from our Anaba Estate Vineyard, as well as Landa Vineyard, Snow Vineyard, Skyfall Vineyard and Drennan Family Vineyard, each bringing a valuable component to the final blend. The result is an incredibly juicy yet acid-laced wine that is entirely quaffable though offers understated complexity.

Fun Fact: We ferment and age each variety separately so Katy can determine the best blend after the flavors and characteristics of each fully develop.
