

2021 FLORA MARIE GRENACHE

ABOUT

The Flora Marie Vineyard is located on Eastside Road in both the Russian River and Sonoma Coast appellations. Nestled in the rolling hills, this vineyard affords warm, sunny days though cools off significantly overnight, extending the ripening season. It has been a source for our Turbine Rose of Grenache and, in this vintage, we decided to make single-vineyard bottling.

Fun Fact: Grenache is known as a component of a GSM blend but is quite delicious on its own.
