

2022 TURBINE RED, SONOMA COUNTY

ABOUT

Turbine Red is a vibrant expression of Anaba's Rhone-style philosophy, and is named for the wind turbine installed on our estate. This captivating blend showcases the diverse terroir of Sonoma County, sourced from select family-owned vineyards in the corners of the county – from Moon Mountain to Sonoma Mountain, Dry Creek Valley to Russian River Valley. Each grape variety contributes its unique personality, resulting in a complex and beautifully layered wine. The 2022 growing season was early from start to finish and delivered high-quality fruit.
