

2022 CHARDONNAY WESTLANDS, SONOMA COAST

ABOUT

WestLands is our nod to the true Sonoma Coast. Each year barrels are hand selected by Winemaker Katy Wilson to express the essence of the western side of the Sonoma Coast appellation – its extreme coastal influences and proximity to the Pacific Ocean. It is our most Burgundian style of Chardonnay. The 2022 vintage started early and finished quickly yet delivered nicely ripened and balanced fruit.
