

2022 PINOT NOIR SOBERANES VINEYARD

ABOUT

The Soberanes vineyard, located in the heart of the Santa Lucia Highlands, builds upon a tradition of high quality growing practices. Prior to adding the Soberanes vineyard to their portfolio, the Pisoni and Franscioni families, whose friendship spans three generations, are known for the Pisoni, Garys', Rosella's and Sierra Mar vineyard, all located in the Santa Lucia Highlands appellation. The Soberanes vineyard has been one of Proprietor John Sweazey's favorite vineyards outside of Sonoma for many years. He always knew he would one day source fruit from this coveted land.
