

2024 TURBINE WHITE, SONOMA VALLEY

ABOUT

Turbine White is a beautiful expression of Anaba's Rhône-style philosophy, and is named for the wind turbine installed on our estate. A flagship wine in our portfolio, it is crafted to capture the essence of the vintage. This year, we sourced our Rhône varietals exclusively from the Drennan Family Vineyard and Telman Vineyard, both just three miles from our estate. The outcome is an incredibly juicy, yet acid-laced wine that's wonderfully balanced and keeps you coming back for another glass. fruit.
